Of Interest Here.

Society in Richmond and throughout the State is greatly interested in the following, taken from a recent exchange "Rear-Admiral Robert S. Grif. fin, engineer-in-chief of the navy, who has had a long and distinguished career, on Saturday reached another plinarele by serving as acting secretary in the absence of Secretary Daniels, who was helping to launch the new battleship Nevada, at Quincy. Mass. Ordinarily the assistant secretary acts in the absence of the head of the department, but Mr. Roosevelt also was at Quincy, and Rear-Admiral Wictor Blue, chief of the Bureau of Navigation, the next in line, was away for the weekend. Admiral Griffin's chief work has been on the technical side Jf naval matters, and in his specialty he has won applause from engineering experiment. His predecessor, Rear-Admiral Cone, occasionally served as acting secretary, and in the old days another distinguished engineer, the late Rear-Admiral Meivile.

# Your Baby's Milk

The question of YOUR baby's milk is the most absorbing topic of the day, but when you buy RICHMOND DAIRY milk you are certain that your baby's health is safe.

In the building of our new plant we have installed the most modern of milk handling machinery, including a pasteurizer costing many thousands of dollars, which conforms to the standards set by the New York Milk Commission, which sent experts, including Dr. E. C. Levy, Richmond's health officer, all over the country to study the best method of handling milk.

Pasteurization makes milk safe. It is free from typhoid and intestinal disease germs, as well as tubercular bacilli.

All Richmond Dairy milk is pasteurized.
